Wellard Village Primary School Dress Code Policy

Purpose

Our Dress Code outlines the standards expected of students and plays an important role in promoting a positive image of our school. Our Dress Code supports all students to participate actively in school life. It also helps us to create a sense of identity and a school culture in which every student experiences a sense of connection and belonging. Our school uniform has specifically been designed to embody our school mission of “creating a connected and inclusive community”.

This policy has been developed in consultation with the WVPS Steering Committee and in accordance with the Department of Education’s “Dress Codes for Students in Public Schools Policy”. Any review or future changes will be made with the approval of the future WVPS School Board.

Our Logo (embroidered onto our uniform)

The Wellard Village Primary School logo was born to incorporate the culture surrounding our community. The hexagons within the design are united to reflect our mission to create a connected and inclusive space for learning.

The architecture of our hexagons acts like that of a beehive, where all the bees work together to ensure the success of all. The integrated pattern of the hexagons shows a collaborative approach of our staff who will work together for all students at Wellard Village Primary School.

The differing shades of colour seen in the hexagons reflect the many layers of diversity in our school; culturally, linguistically, and academically. To ensure our brand stands the test of time, we have drawn inspiration from the “Busy Bees” artwork installation that will be a focal point within our school.

The single marigold hexagon breaking away from the group represents a child who has grown and become independent with the courage and confidence to move away from the group and on to the next step in their educational journey. It demonstrates how all our students will thrive, learn, and grow as a result of the nurtured, encouraging environment, and the education provided at Wellard Village Primary School.

Deeper in the logo we have the overlapping and connected initials of our name which recognises the influence we have on each other. The interwoven W and V alludes to our vision of being a united community forged from powerful relationships. The letters slice through the hexagons and break out of the beehive stamping our children’s emerging futures and our motto “building the minds of tomorrow”.

Compliance

Staff will pursue a positive approach to the Dress Code, encouraging students to follow acceptable school directions. In the event that a student’s presentation does not comply with the Dress Code, staff will discuss the matter with the parent/carer (and/or student if appropriate). Students not following the dress code will not be permitted to attend excursions or represent the school at official school activities including choir, sporting, social and leadership events. A parent/carer wishing to have their child exempted from complying with the dress code with a valid reason should contact the Principal.

Acceptance of enrolment at this school assumes an agreement between the school, the family, and the enrolling student, that the student will dress within the guidelines of the school dress code. Issues of financial hardship may be discussed with the Principal.
