# V.I.P

Our VIP Program provides a range of supportive measures for new kindergarten students and their families.

We allocate a dedicated VIP Educator during the Summer holiday program and the first few weeks of Term 1, to implement the tools required to support successful transitions for our VIP kindergarten children.

The main role of the VIP Educator is to provide a welcoming environment for the kindergarten children and their families. Feedback on this special program has been highly commendable from our new families.

Big Active aims to increase the physical activity in our services, whilst making sure it's all still fun and games!

We have a team of sports specialists who visit the services after school and during the holidays to run games and skill-based challenges. It has been incredibly popular with the kids and their families.

## Nutritious & Yummy Meals

Our kids often say they LOVE our food! So for those early birds who arrive at Before School Care before 8.00am, a delicious breakfast will be on offer to get them energised for school.

We have a variety of cereals, breads and spreads on offer as well as special mornings, featuring pancakes, eggs and plenty of other appetizing options.

Then in our After School Care program, we base our food choices on the nutritional needs of the children, as well as their individual medical conditions (allergies) and likes/dislikes. Our kids get to have a big say as to what's on the menu planner! We always ensure children have enough to eat, to give them the energy they need to get on with the activities they love.

## Experienced & Passionate Educators

Our educators are friendly and passionate about working with children and we cannot wait for you to meet them. They love getting to know each child individually whilst committing to providing a supportive and safe environment.

Our team at school will have current Working With Children Checks and relevant industry qualifications, with a first aid qualified member of staff on hand at every centre.

We value our relationships with families, children and the school so you may even see our staff helping out at school events too! Please come and say hello!
